

BH4 Block 8 - Wild Geese

By Kate Spain

Color/shading options.

Piecing & Cutting Notes:

- To trim the HTSs to size, add $\frac{1}{8}$ " to $\frac{1}{4}$ " to the squares.
- To piece these as flying geese, change the cutting as needed.
 - 9" block: $2\frac{3}{4}$ " x 5" (finished size is $2\frac{1}{4}$ " x $4\frac{1}{2}$ ")
 - $4\frac{1}{2}$ " block: $1\frac{5}{8}$ " x $2\frac{3}{4}$ " (finished size is $1\frac{1}{8}$ " x $2\frac{1}{4}$ ".)

Cutting Instructions:

9" Finished Block:

- A - (8) squares - $3\frac{1}{8}$ " x $3\frac{1}{8}$ "
- B - (4) squares - $3\frac{1}{8}$ " x $3\frac{1}{8}$ "
- C - (4) squares - $3\frac{1}{8}$ " x $3\frac{1}{8}$ "

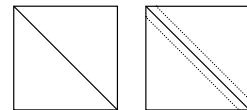

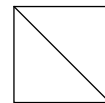

$4\frac{1}{2}$ " Finished Block:

- A - (8) squares - 2" x 2"
- B - (4) squares - 2" x 2"
- C - (4) squares - 2" x 2"

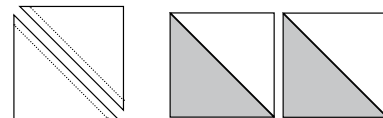

All seams are a scant $\frac{1}{4}$ " unless specified otherwise.

Assembly

- On the wrong side of the A squares, draw a line from one corner to the opposing corner.
 - Or use Diagonal Seam Tape as a guide.
- With right sides together, align the A with the B squares as shown. Stitch on both sides of the drawn line. Trim seam to $\frac{1}{4}$ " and press the seam to the triangle.

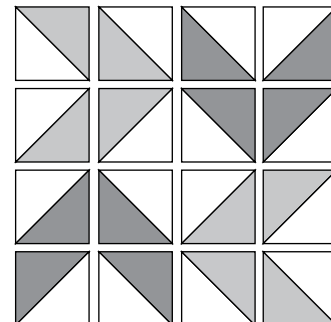

Repeat with remaining squares to make a total of (16) HTSs - (8) of A/B and (8) of A/C.

The HTSs will measure $2\frac{3}{4}$ " x $2\frac{3}{4}$ " or $1\frac{5}{8}$ " x $1\frac{5}{8}$ ".

- Lay out the units as shown.

BLOCK HEADS 4

Join the Moda Block Heads Facebook group for more info and updates!

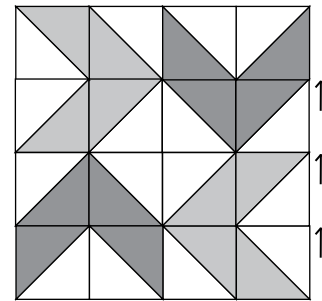

4. Join the units to make four rows.

Press the seams in the direction of the arrows - or press them open.

5. Join the rows to complete the block. Press the seams in the direction of the arrows - or press them open.

- 9" block - block will measure 9½" x 9½"
- 4½" block - block will measure 5" x 5"

.....
Stitching with Kate...

- The quilting tip I wish I'd learned when I first started is... manage your scraps as you go to maximize your fabric purchase, and to minimize waste. Someone recently shared this with me: for stitch-and-flip or "snowball" corners, sew a second seam 1/2" away from the actual seam, then trim between the seams. You'll have a bonus half-square triangle ready to square-up and use in another project. This was a game changer, and a time saver, for me.
- My best advice to new quilters is to... sew with fabric colors you love. I think connecting with colors plays a big part in how you feel when you work on a sewing project. If you don't feel good about it, chances are you'll be less motivated to keep going.
- When it comes to quilting/sewing tools, don't get between me and my... seam ripper!
- Don't tell anyone, but when I'm sewing, I don't worry about... my long to-do list! Sewing gives me a chance to stop and focus on the here-and-now. While I'm piecing, I might start to think about the shapes in each block and how I'd like to quilt it... other than that, it's very meditative for me - except for the math!
- My "rock-star stitch group" includes... everyone! I love jamming along with this creative community in every way!
